*] Erant apud Caesarem in equitum numero Allobroges duo **fratres**, Raucillus et Egus, Adbucilli filii, qui principatum in civitate multis annis obtinuerat, singulari virtute homines, quorum opera Caesar omnibus Gallicis bellis optima fortissimaque erat usus. His domi ob has causas amplissimos magistratus mandaverat atque eos extra ordinem in senatum legendos curaverat agrosque in Gallia ex hostibus captos praemiaque rei pecuniariae magna tribuerat locupletesque ex egentibus fecerat. Hi propter virtutem non solum apud Caesarem in honore erant, sed etiam apud exercitum cari habebantur; sed freti amicitia Caesaris et stulta ac barbara arrogantia elati despiciebant suos stipendiumque equitum fraudabant et praedam omnem domum avertebant. Quibus illi rebus permoti universi Caesarem adierunt palamque de eorum iniuriis sunt questi et ad cetera addiderunt falsum ab his equitum numerum deferri, quorum stipendium averterent.*

*At ego tunc temporis talibus fatorum fluctibus volutabar. Miles ille, qui me nullo vendente comparaverat et sine pretio suum fecerat, tribuni sui praecepto debitum sustinens obsequium, litteras ad magnum scriptas principem Romam versus perlaturus, vicinis me quibusdam duobus servis fratribus undecim denariis vendidit. Hic erat dives admodum dominus. At illorum alter pistor dulciarius, qui panes et mellita concinnabat edulia, alter cocus, qui sapidissimis intrimentis suuum pulmenta condita vapore molliabat. Vnico illi contubernio communem vitam sustinebant meque ad vasa illa compluria gestanda praestinarant, quae domini religiones plusculas pererrantis variis usibus erant necessaria. Adsciscor itaque inter duos illos **fratres** tertius contubernalis, haud ullo tempore tam benivolam fortunam expertus. Nam vespera post opiparas cenas eramque splendidissimo apparatus multas numero partes in cellulam suam mei solebant reportare domini: ille porcorum, pullorum, piscium et cuiusce modi pulmentorum largissima reliquias, hic panes, crustula, lucunculos, hamos, lacertulos et plura scitamenta mellita. Qui cum se refecturi clausa cellula balneas petissent, oblati ego divinitus dapibus adfatim saginabar. Nec enim tam stultus eram tamque vere asinus, ut dulcissimi illis relictis cibis cenarem asperim faenum.*

for once he roamed of yore crazed with love , amid the
